There are times when I just need
to hear an encouraging word from the Lord
after a long day's work at being her
battered by the cares of the world and
when I turn TBN (63) on, there is
always a word spoke to meet the
need.

It will in my view be a great
loss to not have TBN (63) on in this
area. I feel it is of the Lord at
this time to have it here.

What I have described is true. I give this testimony under penalty
of perjury of laws of the state of Georgia, and I understand that this
completed form will be submitted to the Federal Communications Commis-

The uplifting programming of the station has brought
a positive spirit into our home. We receive specific
blessing from the Cathedral at Chapel Hill program as
well as the Praise The Lord Programs. Without
this resource of God's spirit our lives could be very
much darker. We need to be able to tune in to
the answers, comfort and direction we have
found on Channel 63. God is using it as a voice
to broadcast the Gospel and bring us together as
the body of Christ!

This channel has been a blessing to me
by bringing words of faith & encouragement
into my home. It is refreshing to relax and
hear a positive message which our violent
nation needs desperately. The programs on
this station strengthen my faith & give me
confidence to meet my neighbors, community,

Jesus would - with compassion & understanding.
In our violent society, we need more
programming which instills hope & reconciliation
